malton show

This year Classic & Sportscar Centre and Malton Coachworks have been welcomed back to host the classic car section at Malton Show (Agricultural & Country Fair). Last year was the first time the show had such a section and we are pleased to report that the event was a huge success. 2017s event will be held on Sunday 2nd July at the picturesque venue of Scampston Park.

Malton Show has all the agricultural attractions, horticultural displays, farm exhibits and class entries that form the backbone of the show, as well as many other things to appeal to the whole family including; farm produce, livestock, horses, fur & feather, classic cars, vintage tractors, farmers' market, trade stands, craft fair and much more.

If you would like to enter your classic car in the show, please complete and return the enclosed form to.
